

# Sankt Fridli

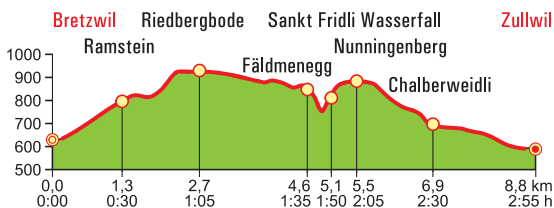

A hike to the hidden waterfall Sankt Fridli

## Itinerary:

Bretzwil (632) – Ramstein (789) – Riedbergbode – Fäldmenegg (750, Sankt Fridli waterfall) – Nunningenberg (880) – Chalberweidli (696) – Zullwil (591)

The hidden waterfall of Sankt Fridli in the region of the Nunningenberg is said to be a magic place. The descent down to the water basin is adventurous. Through its remoteness and some creepy tales the place could certainly preserve its mysticism.
